“Thank you to The Style Lounge for your friendly and professional service – you made sure eight bridesmaids and one bride were ready on time and looking fabulous!”

“I'd just like to thank The Style Lounge who came to my house to do my make up and bridal party. They really listened to what I wanted and was very open, relaxed and easy to get along with; my make up lasted all day and didn't need touching up. Everyone loved it and the bridesmaids looked fab too.”

“Thank you The Style Lounge for doing fabulous hair and makeup for a recent wedding. The service was professional, friendly and you all made sure that we looked amazing.”

“Well, where to start? These ladies are truly talented. The level of service I received from the very beginning has been brilliant. They really listen to everything you like and create amazing results.

They arrived at the venue early and were already set up and ready to go by time I got there. These girls can graft – and all with a smile on their face. Not to mention just how lovely they are. We met at my trial, so by the time the wedding came around, they felt like friends.

I honestly could not recommend them enough to any bride!”
